

SOUTHWOOD PARK WATER DISTRICT
Rate Committee Meeting

March 10, 2021 Agenda:

Call to order
Roll call
Approve minutes

We are here tonight to look at proposals to identify the best/fairest way to raise water rates to cover overdue & ongoing maintenance.

Quick review:

- Current rates, usage & income
- Average usage
- District needs & priorities (estimated need/ask)
- Other/neighboring district rates

My opinion, and why

Committee members' rate proposals—please include in your proposal:

- Monthly base rate
- Fees/ccf for water usage
- Tiered vs single rate/ccf,

Also think about:

- Increasing rates for 1” service lines?
- Changing to monthly billing?
- How quickly to implement future increases?
