

SOUTHWOOD PARK WATER DISTRICT
Rate Committee Meeting

March 31, 2021 Agenda:

Call to order
Roll call
Approve minutes

Tonight we'll review rate increase proposals & hopefully recommend/choose the best/fairest way to raise water rates to cover overdue & ongoing maintenance.

First, a correction

Current rates, usage & income to district
Average customer usage & bill
What would 50% increase look like?

Committee members' rate proposals & options:

- Monthly base rate
- Fees/ccf for water usage
- Tiered vs single rate/ccf
- Increasing rates for 1" service lines?

Also think about:

- Changing to monthly billing?
- How quickly to implement future increases?

Discussion about proposals

If discussion heads toward a consensus, committee will vote to send preferred proposal to Water Board for approval.
